### Office Hours

Southern Kidney Care is open [Click here to enter text.](#)

Our physicians and staff make every effort to return non urgent calls within 24 hours, Monday – Friday. Urgent calls or requests will be returned within 24 business hours. If it is an emergency, we request that you go to the nearest Urgent Care Facility or hospital Emergency Room.

### Laboratory Orders & Policy

If your physician orders lab work, you will receive an order at your appointment. The order will list any lab studies that need to be done *prior* to your appointment. Please take the order to a lab/clinic of your choice **5-7 days prior** to your appointment to ensure the results have been faxed to us. Your physician will review the results with you at your appointment. Should an appointment not be required, the physician or staff will call you. If orders are lost or misplaced we'd be happy to send you a duplicate or fax them directly to the lab. Please note we are **unable** to create, fax or send any orders outside of normal business hours.

### Cancel/No Show Policy

Coming to your scheduled appointments is very important to your health. Additionally, no-shows and late cancellations inconvenience your fellow patients who otherwise may have been able to use that appointment time. As such, we reserve the right to charge you a fee for missed appointments and any cancellations/reschedules *without 24 hour advance notice*. Patients who do not show up for their appointment without a call to cancel an office appointment will be considered as **NO SHOW**. Patients who No-Show two (2) or more times in a 12 month period, may be dismissed from the practice at the discretion of the provider.

### Medication Refill Policy

We ask our patients to monitor their prescription medication closely, and to assess supplies before each office visit. We request that patients get their medications refilled at the time of their appointments or call their pharmacy several days in advance of running out of medication. We will review and respond to all medication refill requests within 2 business days. However, certain classes of medications, such as pain medicines (narcotics), may require a visit to the office. Our on call providers will **not** refill any narcotic prescription written/ordered by another provider.

### Reminder calls and mailings

As a courtesy to all of our patients, we provide automated reminder calls to all of our patients starting 2 days prior to the scheduled appointment. Please notify one of the office teammates at check-in if you would like to opt out of our automated reminder call system.

Southern Kidney Care is dedicated to our patients' health and satisfaction. To help us ensure we are meeting our patients personal and health needs, we send Patient Satisfaction Surveys to all of our patients twice a year. Please notify one of our office teammates if you would like to opt out of receiving them.

**FINANCIAL POLICY  
 (PRIVATE INSURANCE AND SELF-PAY PATIENTS)**

Patient name: \_\_\_\_\_ DOB: \_\_\_\_\_  
 (Please Print)

Any healthcare insurance policy that you may have is a contract between you and your insurance company and/or employer. Southern Kidney Care will assist you in obtaining payment from any healthcare insurance policy for medical services and goods that you receive at our practice; however, you remain primarily responsible to pay for all medical services and goods rendered from Southern Kidney Care.

OUR FINANCIAL POLICY	
_____ Initial	<b>You are responsible for any and all applicable co-payments, coinsurance, and unmet deductibles.</b> It is the patient's responsibility to provide us with current insurance information at each visit. According to your insurance, payment is expected at time of your visit. Some insurance carriers charge a co-pay for each type of provider seen during one day; therefore, if you are seen by more than one provider on the same day, you may be responsible for more than one co-payment. You will also be responsible for any past due balances that may be remaining on your account. Patients with delinquent accounts will be required to make payment on the date of visit. If you are unable to make mutually agreeable payment arrangements your appointment may be rescheduled based on the clinical discretion of the provider.
_____ Initial	<b>Payment is Due When Services are Provided.</b> Southern Kidney Care requires that all applicable co-payments, coinsurance, deductibles and any past due amounts on the account be paid on date of visit. In the event that you are not covered by a healthcare plan, full payment is required on date of visit.
_____ Initial	<b>Assignment of Benefits.</b> I hereby assign Southern Kidney Care any insurance or other third-party benefits available for healthcare services provided to me. I understand that Southern Kidney Care has the right to refuse or accept assignment of such benefits. If these benefits are not assigned to Southern Kidney Care, I agree to forward the Practice all health insurance and other third-party payments I receive for services rendered to me immediately upon receipt.
_____ Initial	<b>Payment Methods and Returned Check Fee.</b> Southern Kidney Care accepts MasterCard/Visa, personal checks, and cash. If the bank returns your check due to non-sufficient funds you will be charged a \$25.00 service charge which will be due, along with the amount of the returned check, within three (3) business days. Your account will be placed on a "cash-only basis."
_____ Initial	<b>Prompt Payment of Mailed Invoices.</b> In the event that you receive a statement in the mail from us for payment, it is your responsibility to pay that amount within 14 days. Amounts for which you are liable may be identified as " <i>patient balance due</i> " on the invoice. Patients with an outstanding balance more than 90 days overdue must make payment arrangements prior to scheduling appointments. Call the billing number provided on your statement to make payment arrangements.
_____ Initial	<b>Non-covered Services.</b> While the filing of insurance claims is a courtesy that we extend to our patients, not all services provided by Southern Kidney Care may be covered by every healthcare plan. Any service determined not to be covered by your plan will be your responsibility. Patients are ultimately responsible for any charges or portion thereof for which payment is denied by insurance for whatever reason, except where prohibited by law or prior contractual agreement.

**ACKNOWLEDGEMENT**

**I HAVE READ AND UNDERSTAND** the Financial Policy of Southern Kidney Care and agree to be bound by it. I understand that healthcare insurance does not cover all medical goods and services and my responsibilities with respect to healthcare insurance as explained above. I understand that I am ultimately responsible for payment for medical goods and services provided to me by Southern Kidney Care. I hereby grant Southern Kidney Care the right to bill and collect from my healthcare insurance plan for medical goods and services provided to me. ***If the patient is a minor (younger than 18 years old), the parent or guardian must sign below.***
